Bereavement Support Group

The weekly sessions will help guide people through the grieving process in a safe and supportive environment. It takes courage to face the many feelings and life changes resulting from the death of a loved one. By participating in a support group, you will have the opportunity to share with others who are grieving, learn about the process of grief and be supported during a difficult time. Confidentiality is a key component to the success of the group.

The group is facilitated by Deacon Sal Mazzella who has completed the archdiocesan training program in pastoral bereavement ministry. For more information or to register for the group please call the rectory at 718-324-1478.

Oppose Assisted Suicide

Legislation has been introduced in the New York State Legislature that would allow doctors to legally prescribe a lethal dose of pills at the request of a terminally ill patient. While proponents call these bills "death with dignity" and "patient self-determination," in reality they are unnecessary, flawed and dangerous. Legalizing assisted suicide would endanger elderly, disabled, and vulnerable people. It will send the message to others that suicide is acceptable and lead to an increase in suicides. It will leave people with depression and other mental illnesses untreated. And it will turn doctors and other health professionals from healers into killers.

Please contact your legislator to tell them you oppose this bill:

Lectio Divina Reflection: Today's Gospel is **John 1:29-34**. *Do people know you are a Christian? Do they know by your treatment of them that you see Christ in them?*

Lectio Divina is a tool in your faith toolbox to help you tackle the problems in your life. Contact Helen McCullagh 914-237-1595 for more information. Join us for a Session on Sunday morning from 9-10:15am in the Considine Center.

The NYPD officers serving your community invite you to a discussion of the public safety challenges in our neighborhood. With neighborhood policing, the Neighborhood Coordination Officers (NCOs), and the Steady Sector Officers who work with them, have been given more time and opportunity to collaborate with residents in identifying and solving local quality of life conditions and crime concerns. The same officers are assigned to our community each day, so these officers learn the neighborhood, its challenges and potential, and the people who call it home. This is a new way of doing business for the NYPD, and we need your help to make it work. We want to hear from a broad range of voices about what it will take to make all the residents of our neighborhood feel safe and secure. Please join us for what we hope will be a lively and productive discussion.
